

Our **NetEvents Press & Analyst Summits** have been specifically created to bring together the leading regional technology press, analysts and key telecom players. Delegates participate in our topical conference programmes and have the opportunity to meet individually in a series of scheduled briefings. It's a superb way to discuss the latest hot topics concerning enterprise networking & telecoms and pave the way for increasing your visibility in the region.

Our **NetEvents Service Provider VIP Summits** have been specifically created to bring together the top regional Service Providers, analysts and key telecom players. Delegates participate in our topical conference programmes and have the opportunity to meet individually in a series of scheduled briefings. It's a superb way to exchange ideas, explore business opportunities, educate the market on new generation telecom services and business models and discuss the latest advances in communication technologies... all in two exciting and enjoyable two days.

Our **NetEvents Press & SP Summits** are a combination of the two events above, condensed into just two days, providing the clients with an opportunity to select briefings with press, analysts and SP's at a single event.
