# Russian hacker called ‘Tony Soprano-style mob boss’ is sentenced in Seattle to 27 years

Originally published April 21, 2017 at 10:19 am | Updated April 21, 2017 at 12:38 pm

*In a photo used by prosecutors in his federal trial, Roman Seleznev poses with a  
1 of 3 Dodge Charger in Moscow. (Courtesy of U.S. Attorney)*

**Over a decade, the hacker likened to TV mob boss Tony Soprano stole and sold on the black market more than 2 million credit-card numbers, resulting in losses of at least \$170 million, according to federal prosecutors**
